Stock Profile

About

Example Inc. is a leading technology company specializing in...

Key Executives

Name: John Doe
Title: CEO

Name: Jane Smith
Title: CFO

Company Information

Sector: Technology
Industry: Software
Number of Employees: 10,000

Data Visualization Progress

- **Changed the Dropdown Indicator Select menu with a Popup menu, this will help to show any indicator which can have different time options.**

- **Submit and Reset buttons on Popup Menu => More efficient Backend requests + more user friendly**

- **Added 3 different moving average options on the main graph, adding other main indicators will be easy to implement.**

- **Visual update on tooltips.**

Roadmap

- **Searchbar on Indicator Popup Menu?**

- **Show tooltip content on some fixed position**

- **Backend API Connection**

- **Toolbar**

Markets Page Showing Real Data

- Tried to get data from backend

- Faced some problems related to

  backend

- Future improvements are planned

Plans For Markets Page

- Show real objects of stocks on table

- User related operations when Backend is ready

- Selecting country and index functionality will be added

- Daily movements will be depicted as green and red

- Small images for stocks can be added
